I will pay marked tariff in advance by: <input type="checkbox"/> Western Union money transfer <input type="checkbox"/> Wire transfer to bank account	

With this form I do order the marked tariff. The contract will last as marked tariff duration indicates. Silicon s.z.r.- Astrasat is billing at the beginning of every ordered subscription period. Silicon can immediately disconnect the Satellite Connection if amounts are not paid or Silicon is supposing that there might be a danger of not paying the amount by the customer. The contract between the customer and Silicon will start, when Silicon has sent the active user name and password to the customer. Silicon will only send the information to the customer if the billed amount is available for Silicon. Login information are sent out for free via email. Silicon s.z.r. will activate connection via satellite within 48 working hours after reception of this document with payment confirmation: For Western Union you must provide MTC number or for bank wire transfer you must provide SWIFT copy. I know that separate to the satellite connection I have to pay to my local ISP the fees for the Dial In Connection to the internet. Astrasat will not give any personal data made in this order to third parties and undertakes to treat this information confidential and protect the data. I agree to the terms and conditions of order. AstraSat keeps the right for a technical, satellite and transponder changes.
